HEADACHE & PAIN CENTER AMC PHYSICIANS RETURN FROM CLINICAL ANATOMY AND IMAGING OF THE SPINE COURSE

Gray, LA – Jimmy N. Ponder, Jr., MD, Medical Director of the Headache & Pain Center AMC and Adolfo Cuadra, MD recently attended **the International Spine Intervention Society Clinical Anatomy and Imaging of the Spine** course in New Orleans, Louisiana.

The program's overall objective was to provide participants with information and skill building techniques developed on an evidence-based approach to spine pain and intervention pain medicine. The course was designed to provide an in-depth understanding in guided imagery, correlative anatomy structures and patient care.

Headache & Pain Center, AMC's facilities specialize in pain diagnosis and relief, usually without surgery or habit-forming narcotics. The board certified physicians, **Jimmy N. Ponder, Jr., MD, Adolfo Cuadra, MD, and Brandon Brooks, MD** are experienced in performing numerous pain relief procedures with positive results. For more information on many types of non-surgical pain relief procedures, please contact either the Gray Office (985) 580-1200 or toll-free (888) 415-6363 or the New Iberia Office (337) 560-0880 or toll free (888) 899-6363.

Headache & Pain Center, AMC accepts most private insurances and Medicare. Appointments are usually scheduled within 24 hours, Monday – Friday 8:00 am – 5:00 pm. Visit our website at www.answertopain.com for more information on pain management techniques.
