HEADACHE & PAIN CENTER AMC MEDICAL DIRECTOR RETURNS FROM TEACHING COMPREHENSIVE REVIEW COURSE AND CADAVER WORKSHOP

Gray/New Iberia, LA – Jimmy N. Ponder, Jr., MD, Medical Director of the Headache & Pain Center, AMC with locations in Gray and New Iberia recently served as a faculty instructor for the American Society of Interventional Pain Physicians (ASIPP) Comprehensive Review Course and Cadaver Workshop in Memphis, Tennessee.

Dr. Ponder participated in the instruction/lecture of the hands on cadaver workshop, where he taught young physicians how to perform spinal injections with safety and precision. The course was designed to master and enhance interventional pain management techniques through instruction and interaction with other participants. These doctors benefited from this comprehensive learning opportunity and will bring this knowledge to their own communities.

Headache & Pain Center, AMC's facilities specialize in pain diagnosis and relief, usually without surgery or habit-forming narcotics. The board certified physicians, **Jimmy N. Ponder, Jr., MD, Adolfo Cuadra, MD, and Brandon Brooks, MD** are experienced in performing numerous pain relief procedures with positive results. For more information on many types of nonsurgical pain relief procedures, please contact either the Gray Office (985) 580-1200 or toll-free (888) 415-6363 or the New Iberia Office (337) 560-0880 or toll free (888) 899-6363.

Headache & Pain Center, AMC accepts most private insurances and Medicare. Appointments are usually scheduled within 24 hours, Monday – Friday 8:00 am – 5:00 pm. Visit www.answertopain.com for more information on pain management techniques.
