### EMPLOYEES CELEBRATE MOVING DAY INTO NEW STATE-OF-THE-ART FACILITY

**New Iberia, LA --** Headache & Pain Center, AMC's dedicated employees worked tirelessly over the Memorial Day weekend moving from their temporary facility into the new state-of-the-art 18,000 square foot pain center. The team was rewarded with a crawfish boil.

For nearly 14 years, the board certified pain specialists have been diagnosing and treating patients in New Iberia. The practice grew rapidly with thousands of patients turning to Headache & Pain Center, AMC for pain diagnosis and relief, usually without surgery or habit-forming narcotics. Over the past four years the dedicated staff continued to work in close quarters while the new facility was being planned and constructed at the 531 Jefferson Terrace Boulevard location.

"We are proud to be investing in the New Iberia community," stated **Jimmy N. Ponder, Jr., MD.** "The new facility includes high-tech diagnostic equipment featuring an Open MRI, Bone Density Scanner and X-Ray. Everything is now under one roof to provide more conveniences to our patients."

"Surgery is not always the only option for pain relief," added **Adolfo J. Cuadra, MD.** "A visit to Headache & Pain Center, AMC could prevent the inconveniences and risks of surgery."

Headache & Pain Center, AMC accepts most private insurances and Medicare. The New Iberia facility is the practice's second location in Louisiana, located at 531-A Jefferson Terrace Boulevard.
