## HEADACHE & PAIN CENTER AMC MEDICAL DIRECTOR RETURNS FROM 16<sup>TH</sup> ANNUAL SCIENTIFIC MEETING

*Gray, LA* -- **Jimmy N. Ponder, Jr., MD**, Medical Director of Headache & Pain Center, AMC with locations in Gray and New Iberia recently returned from the 16<sup>th</sup> Annual Scientific Meeting with the International Spine Intervention Society in Las Vegas, Nevada.

The meeting focused on the latest Radiofrequency Denervation (RFD) Procedures for treatment of migraine headaches and nonsurgical treatments of low back and neck pain. RFD utilizes radiofrequency energy to disrupt nerve function, resulting in the inability of the nerve to transmit pain.

Headache & Pain Center, AMC's facilities specialize in pain diagnosis and relief, usually without surgery or habit-forming narcotics. The board certified physicians, **Jimmy Ponder, Jr., MD**, **Adolfo Cuadra, MD**, and **Brandon Brooks, MD** are experienced in performing RFD and numerous other pain relief procedures with positive results. For more information on RFD and other nonsurgical pain relief procedures, please contact either the **Gray Office (985) 580-1200** or toll-free **(888) 415-6363** or **New Iberia Office (337) 560-0880** or toll-free **(888) 899-6363**.

**Headache & Pain Center, AMC accepts most private insurances and Medicare. Appointments are usually available within 24 hours, Monday - Friday 8:00 a.m. – 5:00 p.m. [www.answertopain.com](http://www.answertopain.com).**
